## Additional Experience

Currently I am active in advising organizers of the annual InCoB conference in my role as Vice-President in charge of conferences for APBioNet. In the past I have served as co-chair of the ISCB conferences committee, during which time I took part in the site visit to the Prague Convention Center. I served on the ISMB steering committee in 2013 and 2014 and have served as a reviewer for ISMB submissions (highlights and proceedings) on numerous occasions over the years.

## Related Awards

I received a Meritorious Service Awards from APBioNet in 2011 and 2015 and a Certification of Appreciation from ISCB in 2012. Each of these was awarded to recognize the success of special sessions or conferences I organized.
