

ISCB-Asia/SCCG 2012

**Dameisha Beach
Shenzhen, China**

December 17-19, 2012

<http://www.iscb.org/iscb-asia2012>

We invite you to attend ISCB-Asia/SCCG 2012, co-hosted by the International Society for Computational Biology and BGI. Just minutes from Hong Kong, Shenzhen is a vibrant city and the site of one of the world's largest sequencing centers.

Our conference presents a unique opportunity to present and absorb cutting edge research in computational biology including NGS data analysis, cloud and workflow platforms for bioinformatics, cancer genomics, metagenomics, machine learning, protein bioinformatics and open problems in computational biology.

Accepted proceedings papers will be submitted to a special issue of *BMC*

Bioinformatics/BMC Genomics or recommended for publication in *Omics*, or *Gigascience*.

Submission of relevant review or trends in technology papers is also encouraged and will be considered for publication in a special issue of *Briefings in Bioinformatics*.
